

LEADERSHIP TEAM SUMMER 23/24

CAMERON REDHEAD

Cameron is our current Referee Coordinator who oversees rostering, mentoring, developing, and helping our referees at Rockingham progress through the refereeing pathway in WA. Cameron has experience refereeing at elite WABL level. Having completed his 3 years in BWA's Referee Development Program he received his Level 1 Advanced Qualification where he continued to referee WABL and was exposed to Championship level games on a weekly basis.

Cameron: "I am excited for what our Summer 23/24 season looks like for our referee pool. This new leadership team will help hold our referees accountable on a nightly basis and strive for excellence every time we step on the floor. We will not always get it right, but I believe we have the commitment and buy-in now to ensure we learn from each game and better ourselves for the next one. Looking forward to a big season of development with our awesome referee family!"

Cameron has put together a team of senior officials known as our Leadership Team who will continue to work with our referees as educators, mentors, and support personnel. Please meet the team below:

CLINTON CROSS

Clinton is a current Level 3 referee who has been officiating in the SBL/NBL1 competitions for 10 seasons. He commenced his refereeing journey in 2000 and has worked to develop junior referees at various clubs around Perth during this time.

Clinton: "I am looking forward to sharing my knowledge and experience with the next generation of referees as they embark on their emerging refereeing journey."

SHEREE NEW

Sheree started refereeing only 3 years ago as she saw the need for more adult referees and thought it would be a great way to keep fit. Sheree has learnt a lot, built relationships and continues to learn something from every game off our experienced referees and ref coaches. Sheree always strives to referee at a high standard all the time.

Sheree: "The best part of refereeing is our Rockingham referee family. It's an extension of my own family, we are tight knit, we have a great bond with each other and continually strive to motivate, learn and challenge ourselves. I'm looking forward to mentoring/educating our younger referees and giving them the tools, they need to succeed and be confident in their refereeing journey."

TOMMI LEHTINEN

Tommi is one of our referees and referee coaches here at Rockingham. He has been involved with our referee program for a decade, holding a level one accreditation in both refereeing and as a referee coach. He has also coached at both a domestic and WABL level.

KANE HEATH

Kane is a level 1 referee and has been refereeing for the RBRA for 4 years now. In that time Kane has received his Level 1 accreditation and refereed WABL Finals series, receiving a grand final in 2023.

Kane: "I'm excited to be in the new referee leadership team and see how this team can work together to evolve the referee program at Rockingham."
