FLAMES NBL1 WOMENS HEAD COACH

We are looking at getting back on the winners list this week, and more particularly, getting back to the way we know we can defend.

It's going to be a tough double-header this week and we just need to stick together as a group.

If we do this, and play our style of basketball, hopefully everything else will take care of itself.

BRAD NEW

FLAMES NBL1 MENS ASSISTANT COACH

Well here we are for our second fixture of the year with our southern neighbour's, the Mandurah Magic and the Coast Fm Cup.

Mark Utley has done a really good job of assembling the best Men's team I've seen down there in a while!

Joel Murray has been absolutely lighting up the NBL1 West and would currently be the favourite for league MVP in my opinion.

Add Micheal Durr as the import BIG and some genuine perimeter shooting around them, this should be a really interesting matchup for us.

Hopefully everyone can enjoy a great Friday night's basketball and our Rockingham Flames can get up for the win.
